The Brasserie Spirit:

When you open the door of a Brasserie Flo, discover the little touches that make a brasserie great. A unique place, quality service, a warm atmosphere, and more. From the wide selection of dishes on the menu to the quality of the products, all of the details have been thought out to ensure that your gourmet meal is a unique and original experience.

Booths, mirrors, chandeliers hanging from the ceiling, gleaming brass fixtures, a polished counter, the show is as much in the dining room as in your plate.

This is the brasserie spirit, a mixture of good cheer and local flavors that makes the women so beautiful and the men good-humored in an ambiance you'll miss as soon as you walk out the door.

A hearty appetite and a friendly atmosphere, laughs and cheers, it's Paris on stage and at your table.
